- 6.4.3.5 For any days of absence from duty as a result of the same industrial accident or illness, the employee may endorse to the District any temporary disability indemnity checks received by him/her which would make the total compensation from both the District and such disability indemnity exceed 100% of the amount the employee would have received as salary had there been no industrial accident or illness. If the employee fails to endorse to the District any temporary disability indemnity checks received on account of the industrial accident or illness as provided herein, the District shall deduct from the employee's salary warrant the amount of such disability indemnity actually paid to and retained by the employee.
- 6.4.3.6 Upon conclusion of such leave, an employee may utilize any available personal illness or injury leave providing that any personal illness or injury leave utilization, when combined with any temporary disability indemnity, shall not exceed 100% of the amount the employee would have received as salary had there been no industrial accident or illness.

The unit member shall then have the option of withdrawing the request, and, in that case, the principal shall not be notified.

The District will first seek volunteers from the affected school site(s) prior to making any involuntary transfer. If a need to displace additional teachers exists, the teacher with the least seniority in the District will be displaced.

- 7.8.2 As soon as staffing needs have been determined for the following school year and displaced teachers have been identified, voluntary and involuntary displaced unit members shall be placed in vacant positions for which they are credentialed. The parties will implement the following process and guidelines to find the most suitable assignments for these displaced teachers.

- 7.8.2.7 Once all candidates are placed, all placements are to be considered final. Should other vacancies occur (other than at the original site, as detailed below), candidates may use the contractual transfer policy to apply, along with all other bargaining unit members. Should the candidate be successful in the "transfer" placement, the placement protection, in relation to displacement, will be considered null and void.

- 7.8.2.8 Should a vacancy occur at the site from which the displaced teacher came prior to the start of the teacher work year, the displaced teacher will be afforded the opportunity to return to the original site for any position for which the teacher meets proper credential requirements. ARTICLE XX  
GRIEVANCE PROCEDURE

20.1 Definitions

20.1.1 A grievance is an allegation by one or more unit members or the Association that there has been a violation, misinterpretation or misapplication of the specific provisions of this Agreement.

20.1.2 A grievant is the member, or members, of the bargaining unit, or the Association, alleging a violation, misinterpretation or misapplication of a specific provision of this Agreement.

20.1.3 A day is defined as a day when the schools in the District are in session excluding summer school.

20.2 Informal Resolution

Before filing a formal grievance, the grievant will attempt to resolve the grievance by means of an informal conference with the immediate supervisor or the appropriate administrator.

20.3 Formal Resolution, Level One

Within twenty (20) days after the occurrence of the act or omission giving rise to the grievance, or within twenty (20) days of the time the grievant could reasonably have known of the act or omission, the grievant must file a formal written grievance.

20.3.1 The written statement of the grievance shall include the general and specific grounds of the grievance, the date or dates the alleged act or omission occurred, the specific provisions of the Agreement alleged to have been violated, misinterpreted or misapplied, and any other pertinent information which might assist the District in determining the proper resolution of the grievance. It shall also include a statement of the specific action which the aggrieved unit member desires that the District take to remedy the grievance and a statement of the outcome resulting from the Informal Resolution as described in Section 20.2.

20.3.2 The immediate supervisor shall communicate the decision to the grievant in writing within ten (10) days after receiving the grievance. If the administrator does not respond within the time limits, the grievant may appeal to the next level.

20.3.3 Within the above time limits either party may request a personal conference.

20.3.4 Grievances that arise because of alleged actions at the District, rather than school site, may be filed initially at Level Two.

20.4 Formal Resolution, Level Two

In the event the grievant is not satisfied with the decision rendered at level one, the grievant may appeal the decision on the appropriate form to the Superintendent or designee within ten (10) days. This statement should include a copy of the original grievance, the decision rendered, and a clear, concise statement of the reasons for the appeal.

20.4.1 The Superintendent or his designee shall communicate the decision to the grievant within ten (10) days. If the Superintendent or his designee does not respond within the time limits provided, the grievant may appeal to the next level.

20.4.2 Within the above time limits, either party may request a personal conference.

20.5 Formal Resolution, Level Three

If the grievant is not satisfied with the decision at level two, the Association may within ten (10) days submit a request in writing to the Superintendent for arbitration of the dispute. The Association and the District shall attempt to agree on an arbitrator. If no agreement can be reached, they shall request the American Arbitration Association to supply a panel of arbitrators and assist the parties in selecting an arbitrator. Regardless of how the arbitrator is selected, the parties and the arbitrator shall be bound by the Voluntary Labor Arbitration Rules of the American Arbitration Association except as agreed in other sections of this Article or by other written agreement of the parties.

20.5.1 The fees and expense of the arbitrator in the hearing shall be borne equally by the District and the Association. All other expenses shall be borne by the party incurring them.

20.5.2 The arbitrator shall, as soon as possible, hear evidence, and render a decision on the issue or issues submitted. If the parties cannot agree upon a submission agreement, the arbitrator shall determine the issues by referring to the written grievance and the answers thereto at each step.

20.5.3 The arbitrator shall have no power to alter, amend, change, add to, or subtract from any of the terms of this Agreement, but shall determine only whether or not there has been a violation, misinterpretation, or misapplication of this Agreement in the respect alleged in the grievance. The decision of the arbitrator shall be based upon the evidence and arguments presented to him/her by the respective parties and upon generally accepted rules of contract construction and interpretation.

20.5.4 The function and purpose of the arbitrator is to determine disputed interpretation of terms actually found in the Agreement, or to determine disputed facts upon which the application of the Agreement depends. The arbitrator shall, therefore, not have authority, nor shall he/she consider it his/her function to decide any issue not submitted or to so interpret or apply the Agreement as to change what can clearly be said to have been the intent of the parties as determined by generally accepted rules of contract construction. Past practice of the parties in interpreting or applying terms of the Agreement may be utilized by the arbitrator in accordance with generally accepted rules of contract construction and application. The arbitrator shall not render any decision or award, or fail to render any decision or award, merely because in his/her opinion such decision or award is fair or equitable.

20.5.5 The arbitrator shall have no power to render an award on any grievance occurring before or after the term of this Agreement.

- 20.5.6 The decision of the arbitrator within the limits herein prescribed shall be binding upon the Association, the District, and the grievant.
- 20.5.7 Any dispute arising out of or in any way connected with either the existence of or the exercise of rights of the District in Article II, District Rights, is not subject to the Grievance provisions set forth in this Article, unless the dispute is otherwise grievable under another Article of the Agreement.

20.6 Miscellaneous Provisions

- 20.6.1 If the immediate supervisor, Superintendent or designee fails to comply with the time limits set forth, the grievant may process the grievance to the next level of the grievance procedure. The time limits referred to herein shall be applied in a reasonable manner and may be extended only by mutual agreement between the parties.
- 20.6.2 All documents, communications, and records dealing with the processing of the grievance shall be filed separately from the personnel files of the participants.
- 20.6.3 No reprisals of any kind shall be taken by the District or by any member or representative of the District against the Association, a grievant or person who assisted the grievant. No reprisals of any kind shall be taken by the Association or any unit member against either the grievant, the District or any District unit member who may have participated directly or indirectly in the grievance procedure.
- 20.6.4 Grievants, representatives of the grievants, and witnesses shall be provided reasonable release time for the purpose of processing grievances in accordance with Section 3543.1 of the Educational Employment Relations Act.
- 20.6.5 Nothing contained herein will be construed as limiting the right of any unit member having a grievance to discuss the matter informally with any appropriate member of the administration and to have the grievance adjusted without intervention by the Association so long as the adjustment is reached prior to arbitration, the adjustment is not inconsistent with the terms and conditions of this Agreement and provided the District shall not agree to a resolution of a grievance until the Association has received a copy of the grievance, the proposed resolution, and has been given an opportunity to file a response.
- 20.6.6 The filing or pendency of a grievance shall not delay or change District action or programs until, if at all, the resolution of the grievance.
- 20.6.7 The grievant may be accompanied at any point in the process by an Association representative at the grievant's discretion.

25.2 DEFINITIONS

25.2.1 A catastrophic illness or injury is defined as a potentially life-threatening illness or a life-threatening injury occurring after July 1, 1993, that is expected to incapacitate the employee or a member of the employee's family for an extended period of time, requires the employee to take time off from work for an extended period of time, and taking the extended time off work creates a financial hardship for the employee because he or she has exhausted all of his or her sick leave and other paid time off. Maternity and/or childcare leaves are not considered catastrophic unless they fall into the above category. Each claim will be handled on a case-by-case basis by the CLB Committee.

25.2.2 Eligible leave credits are defined as sick leave accrued to the donating employee.

25.2.3 The terms: donation, deposit, contribution, are interchangeable for the purposes of the Catastrophic Leave procedure.

25.3 DONATIONS TO THE BANK

Eligible leave credits may be donated to the Catastrophic Leave Bank within the conditions and restrictions outlined below:

25.3.3 Donators may deposit up to a maximum of two (2) days to the Bank in any given fiscal year. \*

- 25.3.4 Under no circumstances may a donator contribute days to the Bank if in so doing the donator's own number of sick leave days falls below nine (9) at the time of donation. \*
- 25.3.5 A deposit to the Bank shall be a general donation and shall not be donated to a specific individual for his/her exclusive use.
- 25.3.6 All donations of eligible leave credits to the Bank are irrevocable and the donor waives any right to leave credits he/she may have donated except as stated in this Article. The Bank may accumulate days from year to year.

\*Exception: Certificated employees who are retiring or leaving the employ of the District may, during their last year with the District, contribute up to five (5) days of their sick leave to the Bank.
